

PAY AS YOU ROLL

Are you a new venture in the trucking industry looking for potential ways to reduce your insurance cost?

Canal Insurance Company is here to help. Canal has been providing insurance coverage to both new ventures and experienced truckers across the nation for more than 80 years.

With our experience, we know that starting a new business in the trucking industry can be a complex process. We can help take the guess work out of your insurance cost with Canal *Test Drive*, our simplified, “Pay as you Roll” approach, where you **pay only for the actual miles you drive**.

THE PROGRAM

Who is eligible for the program?

Any trucking operation with a DOT number, less than two years in business, and operating one truck in the United States.

How does it work?

Connect your truck to the Canal *Test Drive* device, provided by Samsara, a leader in trucking technology solutions. Your actual miles driven will be reported electronically on a monthly basis and there is no paperwork on your end.

Visit our website at www.canalinsurance.com and click on “Find an Agent” to obtain a quote from one of our appointed general agents across the U.S.

The Canal *Test Drive* option can help you plan for the road ahead.

BENEFITS

- Never pay for idle time, **pay for only the miles you drive** each month.
- No large out-of-pocket startup cost, making it one of the **lowest in the industry**.
- Your deposit can be applied to your renewal policy.
- **No monthly paperwork** on your end.
- **No monthly minimum premium** applies; you only pay when you roll.
- **No installment fees** or interest is added.
- The device **meets the requirements for electronic logging** (as mandated by the Federal Motor Carrier Safety Administration) and will assist with required **IFTA reporting**.
- **Canal covers the entire cost** of the Canal *Test Drive* device for as long as you are on the program.

**Risk Solutions
for the Road Ahead**
